Short Description

4+1 adjustable and shatterproof glass shelves made of SafetyGlass. This means that they are extremely durable and shatterproof, should an accident still occur and a shelf is dropped on the floor, it will not shatter into sharp pieces.

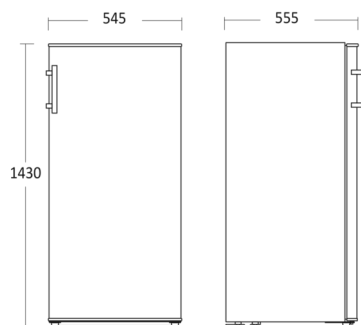

A sturdy steel handle not only gives the refrigerator a more exclusive look, but also a strong grip that never breaks.

RFF242WE comes with a right-hinged door, but can be turned around to be left-hung. This makes it flexible and easy to place the refrigerator in most rooms
