

# Product information sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2016

|                               |              |
|-------------------------------|--------------|
| Model identifier:             | FRT85WD      |
| Supplier's name or trademark: | Scandomestic |

## Type of refrigerating appliance

|                                  |    |   |              |
|----------------------------------|----|---|--------------|
| Low-noise appliance (Yes/no)     | No | Design type: (built-in/freestanding)    | Freestanding |
| Wine storage appliance: (Yes/No) | No | Other refrigerating appliance: (Yes/No) | No           |

## General product parameters:

|   |     |  |      |
|---|-----|--|------|
| Overall dimensions, height mm   | 845 | Total volume (dm <sup>3</sup> or L)                    | 85   |
| Overall dimensions, width mm  | 549 |  |      |
| Overall dimensions, depth mm  | 557 |  |      |
| EEL   | 80  | Energy efficiency class                                | D    |
| Airborne Acoustical Noise emission (dB(A) re 1 pW)                                  | 39  | Airborne acoustical noise emission class (a)           | C    |
| Annual energy cons. kWh/a   | 131 | Climate class  | N/ST |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable | 16  | Ambient conditions for which the appliance is suitable | 38   |
| Winter setting: (Yes/No)  | No  |  |      |

## Compartment Parameters:

| Compartment type                 | Yes/No | Compartment Volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C) | Freezing capacity (kg/24 h) | Defrosting method (automatic/manual) |
|----------------------------------|--------|---|---|-----------------------------|--------------------------------------|
| Pantry                           | No     |   |   |                             |                                      |
| Wine storage                     | No     |   |   |                             |                                      |
| Cellar                           | No     |   |   |                             |                                      |
| Fresh food                       | No     |   |   |                             |                                      |
| Chill                            | No     |   |   |                             |                                      |
| 0-Star or Ice-Making             | No     |   |   |                             |                                      |
| 1-star                           | No     |   |   |                             |                                      |
| 2-star                           | No     |   |   |                             |                                      |
| 3-star                           | No     |   |   |                             |                                      |
| 4-star                           | Yes    | 85  | -18   | 4                           | Manual                               |
| 2-star section                   | No     |   |   |                             |                                      |
| Variable temperature compartment | No     |   |   |                             |                                      |

## For 4-star compartments

|                                 |    |
|---------------------------------|----|
| Fast freezing facility (Yes/No) | No |
|---------------------------------|----|

## Light source parameters:

|  |      |
|--|------|
| Type of light source   | None |
| Energy efficiency class (for the light source)                     | None |
| Minimum duration of the guarantee offered by the supplier, (month) |      |

# Product information sheet

## Technical documentation

A general description of the refrigerating model, sufficient for it to be unequivocally and easily identified:

|  |
|--|
|  |
|--|

### General product parameters:

|   |     |                          |      |
|---|-----|--------------------------|------|
| Annual energy consumption   | 131 | Auxiliary Energy (kWh/a) |      |
| Standard annual energy consumption (kWh/a)                        |     | EEl (%)                  | 79,5 |
| Temperature rise time (h)   | 10  | Combi parameter          | 1    |
| Door heat loss factor   | 1   | Load factor              | 0,9  |
| Anti-condensation heater type: (manual on-off/ambient/other/none) |     |                          |      |

### Additional product specifications for refrigerating appliances, except for low noise refrigerating appliances:

|  |  |  |       |
|--|--|--|-------|
| Daily energy consumption at 16°C (kWh/24h)                       |  | Daily energy consumption at 32°C (kWh/24h)                       | 0,433 |
| Incremental defrost and recovery energy consumption at 16°C (Wh) |  | Incremental defrost and recovery energy consumption at 32°C (Wh) |       |
| Defrost interval at 16°C (h)                                     |  | Defrost interval at 32°C (h)                                     |       |

### Additional product specifications for low noise refrigerating appliances:

|  |  |                              |  |
|--|--|------------------------------|--|
| Daily energy consumption at 25°C (kWh/24h) |  | Defrost interval at 25°C (h) |  |
|--|--|------------------------------|--|

### Compartment Parameters:

| Compartment type                 | Target temperature (°C) | Thermodynamic parameters (rc) | Nc  | Mc   | Defrost factor (Ac) | Built-in factor (Bc) |
|----------------------------------|-------------------------|-------------------------------|-----|------|---------------------|----------------------|
| Pantry                           |                         |                               |     |      |                     |                      |
| Wine storage                     |                         |                               |     |      |                     |                      |
| Cellar                           |                         |                               |     |      |                     |                      |
| Fresh food                       |                         |                               |     |      |                     |                      |
| Chill                            |                         |                               |     |      |                     |                      |
| 0-Star or Ice-Making             |                         |                               |     |      |                     |                      |
| 1-star                           |                         |                               |     |      |                     |                      |
| 2-star                           |                         |                               |     |      |                     |                      |
| 3-star                           |                         |                               |     |      |                     |                      |
| 4-star                           | -18                     | 2,1                           | 138 | 0,15 | 1                   | 1                    |
| 2-star section                   |                         |                               |     |      |                     |                      |
| Variable temperature compartment |                         |                               |     |      |                     |                      |
