The freestanding freezer comes with 2 adjustable feet in the front, so it can stand flat on most surfaces.

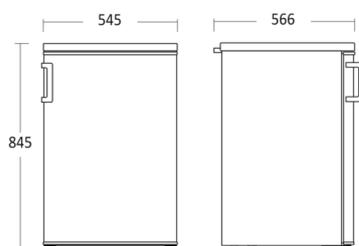

The cabinet door opens to the right, but the door can also be reversed, so the cabinet is flexible to place in all rooms.

The freezer drawers have transparent fronts, which make it easy to see what the drawer contains. This can contribute to less food waste. In addition, they are equipped with pull-out stops that prevent the drawers from tipping over when you pull them out completely.
